Dear Parents and Guardians,

The Twin Valley School District is earnestly committed to excellence in education for every student. At the high school, we are committed to ensuring a quality education during high school and preparing every student for life after high school. To that end, we are offering the **PSAT** for all interested **sophomores**.

The **PSAT** is the preliminary, or practice test for the SAT. The **PSAT** measures reading, writing and language, and math skills important in completing college level work. Please note that although the PSAT is targeted for Juniors, Sophomores will definitely benefit from taking the PSAT in both 10th and 11th grade. It is excellent preparation for the SAT.

Because most colleges and many technical and trade schools require college admissions testing like the **SAT**, we strongly encourage our sophomores, if interested, to take advantage of this preliminary practice test.

This year the **PSAT** will be administered on the morning of **Wednesday, October 16th, 2019**

For Sophomores, the testing fee for the PSAT is \$18.00

If interested, please complete and return the attached form to the Guidance Office by Tuesday, October 1st. Students will receive a College Board Study Guide when they return their registration form and payment.

PLEASE NOTE THE DEADLINE

NO LATE REGISTRATIONS WILL BE ACCEPTED

If you have any questions, please contact your child's Guidance Counselor!

Sincerely,

The High School Guidance Department
